

## ONPAY SOLUTIONS AND COREINTEGRATOR PARTNER TO EXPAND AP PAYMENT AUTOMATION DELIVERY

OnPay Solutions has partnered with CoreIntegrator to deliver AP payment automation to its existing and future clients.

With the addition of OnPay Solutions' OnPayConnect AP payment automation product to CoreIntegrator's solution set, CoreIntegrator will now be able to deliver an end-to-end AP automation experience addressing invoice receipt, data extraction, workflow, and the issuance of a variety of payments including virtual cards.

CoreIntegrator is an industry leading software platform for the Accounts Payable 'Procure to Pay' market. The versatility and ability to 'Automate Virtually Any Business Process' has allowed CoreIntegrator Workflow Solutions to be adopted globally by thousands of users in both large and small organizations in almost every industry.

"We're really excited about the opportunity to meet our clients payment requirements. We've seen a significant increase in demand for full AP automation including the issuance of payments. Having OnPayConnect as a part of our offering will make us more capable of meeting existing and prospective customer needs. This will also help provide a new revenue stream for us as we continue to grow as an organization," said Ron Machamer, EVP of Business Development for CoreIntegrator.

"At OnPay Solutions, we consistently seek new partners to advance our mission to improve the lives of finance professionals globally by eliminating paper from Accounts Payable. We are excited to assist CoreIntegrator users by providing a comprehensive payment automation solution that helps create a no-touch environment, saves time, and saves money," said Neal Anderson, CEO of OnPay Solutions.
