ONPAY SOLUTIONS PARTNERS WITH TRANSCARD TO ENABLE B2B PAYMENTS AUTOMATION FOR THEIR CLIENTS

Jacksonville, FL: September 8, 2020 -- OnPay Solutions, a [Top Ten AP Automation Solutions Provider](#), has partnered with Transcard to expand its solutions suite to enable B2B payments automation for future and existing clients.

“We are excited to partner with Transcard to help their clients automate the accounts payable process and streamline payments,” said Neal Anderson, CEO and President of OnPay Solutions. “Our mission has always been to empower people to improve the lives of accounting departments globally. We are thrilled to provide Transcard with the tools to help accomplish that mission and to add Real-Time Payments and debit transactions to OnPayConnect.”

With the addition of OnPayConnect, Transcard is helping leading organizations lower costs, improve operational efficiency and take a strategic and disciplined approach to payment optimization. They now provide the underlying infrastructure for a seamless client payment experience while their supplier management and enablement service drives adoption and network participation. They are also able to ensure timely electronic payment execution, remittance delivery and account reconciliation.

Transcard is the most recent of several finance and payments technology companies to partner with OnPay Solutions to enable AP payments automation.

About OnPay Solutions

Listed by CFO Tech as one of the Top 10 Accounts Payable Solution Providers of 2020, 2019 and 2018 and by CIO Review as part of the 20 Most Promising Corporate Finance Tech companies for 2017, OnPay Solutions streamlines processes for accounts payable by automating invoice processing and payments.

OnPay Solutions pays their clients cash-back rebates on their accounts payable card-spend, monthly allowing them to enjoy a new revenue stream into their organization.
